## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 5, 6, and 13-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 5, 6, and 13-15 are allowable because of the apparatus with a holder made of a plastic material which is reinforced by a metal core that is a plane plate reinforced by a projecting crimped portion as set forth in the claims. None of the prior art cited discloses an apparatus that incorporates the use of a holder that is reinforced by a plane plate metal core with a reinforced projecting crimped portion. Therefore, in view of what has been stated above, the claims are allowable over the art of record.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
